Annual Planning

POSSIBLE ACTIVITIES FOR 2016

Creekside Trail

In addition to the annual walk through in May for trail maintenance discuss erecting a stone bench along the east leg of the loop trail: what to do with the money earmarked for a plaque in honor of Robert Didyoung (116 neighbor of the trail).

Composting Facilities

We would need to engage the Selectboard before proceeding much further.

Action: It was suggested we investigate the legislation and any rules so that timelines and requirements are better understood . Dave G. volunteered. Caroline will summarize her notes.

Archaeological sites

Actions: Nlrmegh will see what information is available and mapped by the state. Inviting the state archeologist to a town event was mentioned.

Community-sourced Firewood Project

Action: Pete and Matt were going to refine the scope of the project.

Logging Site Walkabout

The group proposed a tour be set up for the commission and the general public in the spring.

Harvest Supper '16

Additions to the summary list provided in November minutes

Town Forest
