Town Plan work- Review of draft survey with Brandy-

PC reviewed the draft Town survey. Board felt that this draft with the revisions Brandy has made, reflects PC comments and suggested edits from 2/2/ and 3/2 meetings.

Questions 27-29 were discussed at length. The questions don't clearly determine types and quantity of fuels being used. Brandy will rework.

PC discussed when and how to distribute survey. Mail will require another page for address and bulk mail information. Will people return by mail? The survey will be available on line, drop off points will be available and some will just chose to return by mail.

Brandy will talk with Dave about getting it into the next Gazette. When survey gets distributed will determine when it should be returned. Brandy will put survey out on web and provide a link on Town website.

Brandy mentioned that the Town Plan will have to include a forest integrity piece.

Brandy left at 8:10.

Jeff Keeney- spoke with Digger Fasey at Town Meeting. Digger expressed an interest assisting the PC with the energy part of the Town Plan. Jeff will talk to him about getting involved.
