Update on Selectboard Meeting: L. McCarthy and S. Klaiber attended Selectboard meeting on September 12 to discuss current project status and next steps. Several options for moving the project forward, with different costs, were presented. The SB has taken them under advisement.

Update on Wastewater Permit: The approved wastewater permit amendment requires construction of the system to be completed by 12/31/23. It is likely that an extension will be needed. L. McCarthy will reach out to Barnard & Gervais to determine procedures for requesting extension.

JCCC Community Event: Sunday, October 1st is set for the Second Annual Jerusalem Community Center Fall Fun event. S. Klaiber is coordinating planning with Friends of Jerusalem Schoolhouse and has let all know of assistance needed. Music will be provided by Lausanne Allen and friends; announcement has been posted on Front Porch Forum and in Addison Independent.

Meeting adjourned at 7:00 (end of Zoom connection).

The next regularly scheduled meeting of the JCCC will be on October 30 at 6pm on ZOOM.
