## ADJUSTMENTS TO AGENDA & VISITOR BUSINESS

## APPROVAL OF MINUTES – MAIL – ORDERS

### OLD BUSINESS:

- Town office Maintenance
- Purchase & Sales Agreement
- School Property Transfer Action
- Green Lantern Solar

### NEW BUSINESS:

- **Set Tax Rate**

### OTHER BUSINESS:

The following maintenance issues were recently reported to us:

- The downspout off the back porch is cracked and needs to be replaced,
- The back porch floor boards, railing and supporting posts underneath are all badly decayed and a huge liability for the town right now,
- The vault roof is much worse than it looks from the ground.
- There is a question of whether or not the wire from the town office to the carriage shed that goes overhead is live or not. If it is live, than it is a fire hazard and should be removed.
