

Conservation Commission
Meeting Notes for Monday, September 24

In attendance: Jan McCleery, Jody Higgs, Robert Turner, and Emily Stoehr

The primary focus of the meeting was to begin planning for the 2018 Harvest Supper!

- This year's event will be on Saturday, November 3rd
- We discussed how much food was needed, any suggestions from last year (take-out containers), and assigned people to various tasks. Jody Higgs is the lead for the event.
- A communications plan was created to get the word out utilizing the Gazette, Front Porch Forum and perhaps the town's Facebook page and/or the Addison Independent.

Additional topics discussed:

- Robert provided a recap of the town energy meeting on Friday, September 14th.
- While we originally discussed hosting a hike in October, that will likely be postponed to another time.
